### BREAST CANCER AWARENESS MONTH

With breast cancer affecting 1 in 8 women I'm sure you know someone or know of someone who has fought this horrible disease. In honor of all the survivors and all who have lost their battle we will be joining the **American Cancer Society in their Strides Against Breast Cancer** walk on **October 13th at 9am**. To join the walk is free and simply requires you to show up. If you are unable to join us in the walk you can also donate to this great cause or you can do both. You can donate through the link on our Facebook page.
