### Back to School Reminders

With the new school year underway, we just wanted to remind you of a few things:

Please remember to walk your child to their class and help them wash their hands. **We are working very hard on correct handwashing**—Wet your hands, get soap, make bubbles, rinse and dry. The making bubbles seem to be the hardest for most of our friends, they want to make bubbles under the water which just washes the soap away before it can do its job of killing the germs.

Remember to take **soiled clothes** home. We have created a red label that will be placed above your child's backpack hook to let you know that your child has clothes that need to go home.

**Lunch reminders:** We are not able to serve whole grapes or blueberries to our children in Chick Peas, Sweet Peas and Pea Pods. They need to be cut into halves or we will not be able to serve them.

**Family Pictures:** Please send in 1 or 2 family pictures so that we can finish our classroom Family Trees.

### NY Life Kid ID

September 13<sup>th</sup>  
3:30pm-6:00pm

New York Life Insurance Company partners with the community to insure the safety of our children. They will be providing our families with FREE Identification cards that will include a picture, fingerprints and other vital information. To receive an ID, a parent or legal guardian must be present. You will receive your child's ID that day.

### Museum of Life & Science

This month our little scholars will be visiting the Museum of Life & Science. They will get to go on Dinosaur walk, see farm animals, walk through the butterfly exhibit, and spend time playing in the Gateway Park. The cost for this field trip is \$7.00 which will be invoiced with tuition. Payment is due by September 14<sup>th</sup>. Parent's are welcome to meet us there, just let the office know so that we can look for you. The cost for parents is \$13.00 and it is paid upon arrival at the Museum.

 **WE WILL BE  
CLOSED**  
**LABOR DAY**

Mark your calendars for our **Fall Festival in October.** Last year we had so much fun trunk or treating! You will not want to miss this. More info to come!
